## **THE ROLE OF THE PRIVATE SECTOR IN DISASTER RISK REDUCTION**

### **EXHIBITION OPPORTUNITIES**

Interested Companies, Organisations, Inter-Governmental Organisations, United Nations Agencies, Media and stakeholders are invited to express their interest in setting up exhibition booths during the Conference. This conference will see private sector companies and governments from across the African continent coming together to share experiences and opportunities in reducing the economic costs of disasters.

#### **WHY EXHIBIT?**

The ACECD 2017 - Africa Conference on Economic Costs of Disasters: The Role of the Private Sector in Disaster Risk Reduction exhibition provides you with an excellent opportunity to showcase and promote your products and services to customers from all over Africa and beyond.

**The Exhibition will also offer you the prospect of:**

1. Launching new products and services to the widest and largest international audience.
2. Creating demand for your products and services by giving potential clients' first-hand experience and a chance to a trial of your products.
3. Increasing your sales and customer base within a short period of time.
4. Raising awareness, recognition and building brand image by keeping your brand and solutions right in front of customers.
5. Accessing senior decision makers from various international, private and public organisations for lead generation and networking.
